JENIQUE KNOESEN

WEB DEVELOPER | <https://distracted-swartz-5b72af.netlify.app/>,
<https://github.com/Jenique22>

OBJECTIVE

I am a diligent, loyal, well organized, and detail-oriented candidate with 1 year experience in Front End Development, studied Full Stack Development on Udemy and would like to study Computer Science at Belgium Campus in 2024.

EXPERIENCE

FRONT END DEVELOPER • EBTAX • APRIL 2022 • CURRENT

I have been working collaboratively on a web employment benefit solution for SARS. My role mainly revolves around participating in scrum ceremonies and utilizing various technical skills such as C# ASP .NET, JavaScript, jQuery, XHTML .NET, Adobe LiveCycle, SSMS(SQL), Dev Express, and Azure Devops. I have also been managing release management and GIT, ensuring compliance with SARS regulations.

OFFICE ADMINISTRATOR, ASSISTANT AND MARKETING MANAGEMENT • CARS.COM • JUNE 2021 • APRIL 2022

Personal assistant who acted as the key communication liaison, manages Facebook marketing, designed ads, sold 4 cars, prepared applications, and handled all data capturing tasks.

SKILLS

HTML5, CSS3
JavaScript, jQuery
C#
SQL(SSMS), PostgreSQL
React, Redux
